

# CDE Monitoring Tool (CMT) Training

**Presenter:**

**Stacy Savoca, Research Data Specialist I**  
Federal Program Monitoring Office  
California Department of Education

## **CDE Monitoring Tool (CMT) Training**

Join us for a morning to learn how to use the California Department of Education's Monitoring Tool (CMT). This hands-on session will provide participants with an opportunity to practice essential Federal Program Monitoring (FPM) tasks using the CMT.

### **Topics to be addressed include:**

- Accessing CMT
- Responding to evidence requests
- Communicating in CMT
- Resolving findings in CMT

Participants are requested to bring a laptop or other mobile device.

Participants will not need their CAS user account information because they will be working in a CMT training environment.

Participants will have the opportunity to interact with CDE staff after the session to ask individualized questions.

### **Audience:**
